# Chinese Language Education

## 中國語文教育

本校中文科連續多年參與教育局課程發展處中國語文組的「種籽計劃」，一直站在課程改革的最前線。期間參照「學習進程架構」，擬定校本指標，並針對學生的語文能力發展，自編「校本教材」，成為先導學校。

近年更關注如何藉著校本課程及指定篇章，培養學生的「文化及品德情意」，冀能藉語文學習增進學生的文化素養，培養優良品格。本校教師與時並進，靈活運用電子教學工具，並引入不同學與教方法，如合作學習、戲劇教學法等，增加師生互動及學習趣味，強化學生讀、寫、聽、說等語文能力。

在努力不懈之下，曾獲得「行政長官卓越教學獎」，其後再獲得東華三院教學獎勵計劃「優秀計劃獎」及「值得推廣獎」。本校中文科亦樂於與學界交流，並常與學界同工分享心得，成績獲得肯定。

# English Language Education

## 英國語文教育

Recognising that language learning extends beyond the classroom, we offer a rich array of co-curricular activities to further enrich our students' educational experience. These engaging opportunities include English games, book sharing sessions, spelling competitions, and origami workshops, all of which foster an immersive English environment.

The hard work and dedication of our students have yielded impressive results. In the 75th Hong Kong Schools Speech Festival, our Choral Speaking group was invited to perform at the prestigious Prize-winners' Recital, while the outstanding work of our English Drama Club was recommended for a special showing.

For our senior students, we organise joint-school speaking practice sessions to rigorously prepare them for the demanding HKDSE examinations.

We provide a unique learning experience for students to develop creativity, problem-solving, product design, and critical thinking skills in authentic contexts.

To foster students to become “Makers” and “Entrepreneurs”, we use project and experiential learning to inspire students to think and solve problems from various perspectives. Students are given opportunities to express their creativity through their works and models. Furthermore, to cultivate a start-up mindset, we created a brand called “+× Design”, which allows students to act and think as industrial designers to develop and merchandise their products to the commercial market.

### Alumni Association | 校友會

The Alumni Association serves as a bridge between the school and its alumni. By organising various activities, alumni and teachers are able to come together and share their life experiences. In addition to hosting gatherings and sports activities, the alumni association also organises a mentorship programme every year. These activities not only allow the junior students to learn from the seniors and overcome their doubts, but also help maintain a strong sense of unity among the graduates of LKS, enabling them to continue growing alongside their alma mater.

校友會為學校與校友之間的橋樑，透過舉辦不同類型的活動，讓校友及老師能聚首一堂，分享彼此的生活體驗。校友會除了會定期舉辦聚餐及聯誼活動，每年亦會舉辦師友計劃。這些活動除了能夠令學弟學妹從學長身上學習，解決自己的疑惑，更可以讓畢業於李嘉誠中學的同學保持凝聚力，繼續與母校一起成長發展。
